

REMARKS UNDER 37 C.F.R. 1.111

Consideration and allowance are respectfully requested.

NO NEW MATTER HAS BEEN ADDED BY THIS AMENDMENT.

Applicant has also provided an abstract in compliance with the rules.

Each of the claims distinguishes the invention from the three references cited in the PCT Application.

Each of the claims describes the box which is attached to the creased carrier board and the folding of the carrier board panels, trays, discs and spine into the box.

None of those features is found in or would have been obvious from the three references. None of the references has a box into which discs, trays, panels and spine are folded.

Entry of the amendment and consideration and allowance of all claims are respectfully requested.

Respectfully,
